

# Desktop Bins

**Tiny-Tidy is two small, stylish waste receptacles that, in a world of working lunches and 'tea-breaks without the break', bring recycling right to the desktop.**

- Two convenient, colourful 2.5 litre microbins in a robust tray
- Suitable for a variety of waste streams, e.g. food waste, tea bags, stirrers, etc
- Available with open top or flip lid
- Strong, durable, rotationally moulded
- Optional WRAP compliant labels and corporate branding
- Custom colours to suit

Open aperture suitable for multiple waste streams

NEW

Instead of the labels what about adding your company logo?

Strong durable rotationally moulded tray helping to keep the two units together

Black tray made from 100% recycled plastic\*
