

Bench Linet dots

URBASTYLE
CONCRETE STREET FURNITURE

The Bench Linet Dots has round studs on the top surface. The Bench Linet dots is the widest (75 cm) and longest (296 cm) U-shaped bench from UrbaStyle. The seat seems fairly thin in proportion to the thick legs of the bench. This also ensures that the general appearance creates a light entity. Choose from our 3 finishes: Fino, Ferro or Finerro for this type of design sofa. Also check...
