

## Bench Nuton L

Inspired by the shape of pebbles eroded by time, the concrete furniture 'Nuton' allows a huge combination of random and natural appearances. Each element has a different shape and height, giving the whole set the appearance of a landscape inviting visitors to relax. A light slope allows water to flow naturally away from the surface.

Design: CCHE Architecture & Design

### Technical

### Measurements

✓ 293x170x43 cm - 3672 kg

### Anchoring

✓ Free standing

Optional waterproof and anti-graffiti protection.
