

User guidelines

Octaplus Maxi & Midi

Leaffield litter products

Cleaning Products should be rinsed with clean water and then washed with a mild detergent solution using a bristle brush or sponge. Care should be taken not to apply undue pressure that may damage labels. Flush clean with water after washing.

Quality Standards All Leaffield Environmental products are certificated to BS EN ISO 9001:2000 and BS EN ISO 14001:2004.

Tools Key (included)

Leaffield Key

PPE Always wear appropriate PPE equipment and follow safety guidelines.

Removing the lid

1 Insert key into key hole on front of bin to release the lock plunger.

2 Lift the lid until it is clear of the top of the bin body.

3 Remove steel liner from plastic body.

Please Note: Leaffield does not operate a refuse collection system. This must be organised by the customer.

Adding a refuse bag

Remove existing bag from steel liner.

Place a 100 litre Leaffield bag in the bin and stretch over the edges of steel liner.

Place steel liner back inside of plastic body.

Replacing the lid

Replace lid.

Push in the plunge lock to engage and secure the lid.
